Method and place of processing of the collected data

Treatment methods

The Data Controller takes appropriate security measures to prevent unauthorized access, disclosure, modification, or destruction of Personal Data.

Processing is carried out using computer and/or electronic means, following organizational methods and procedures strictly related to the purposes indicated. In addition to the Data Controller, in some cases, other parties involved in the operation of this website (administrative, sales, marketing, legal, and system administrators) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, and communications agencies) may have access to the Data, also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Data Processors may be requested from the Data Controller at any time.

Legal basis for processing

The Data Controller processes Personal Data relating to the User if one of the following conditions applies:

- the User has given consent for one or more specific purposes;
- the processing is necessary for the performance of a contract with the User and/or for the execution of pre-contractual measures;
- the processing is necessary to fulfill a legal obligation to which the Data Controller is subject;
- processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Data Controller;
- the processing is necessary for the pursuit of the legitimate interest of the Data Controller or third parties.

However, it is always possible to ask the Data Controller to clarify the specific legal basis for each processing operation and, in particular, to specify whether the processing is based on the law, provided for by a contract, or necessary to conclude a contract.

Place

The Data is processed at the Data Controller's operating offices and in any other locations where the parties involved in the processing are located. For further information, please contact the Data Controller.

Retention period

The Data is processed and stored for the time required by the purposes for which it was collected. Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User will be retained until the execution of such contract is completed.
- Personal Data collected for purposes related to the Data Controller's legitimate interest will be retained until such interest is fulfilled. The User may obtain further information regarding the legitimate interest pursued by the Data Controller in the relevant sections of this document or by contacting the Data Controller.

When processing is based on the User's consent, the Data Controller may retain the Personal Data for a longer period until such consent is revoked. Furthermore, the Data Controller

may be required to retain Personal Data for a longer period in compliance with a legal obligation or by order of an authority.

At the end of the retention period, the Personal Data will be deleted. Therefore, upon expiration of this period, the right to access, erasure, rectification, and the right to data portability can no longer be exercised.

Purpose of processing the collected data
